MR. AND MRS. KENNETH MCCOLL

Linda Tolen And Kenneth McColl Exchange Vows In Baptist Church

EDMONTON—On Saturday afternoon, Nov. 17, Miss Linda Kay Tolen was given in marriage by her father Mr. C. G. Tolen of Ft. Nelson, B.C., to Mr. Kenneth Alden McColl. The bride is the daughter of Mrs. E. Auger of Edmonton. The groom is the son of Mrs. M. McColl of Edmonton.

The marriage took place in Westwood Baptist church with Rev. J. W. McKay officiating.

The bride was lovely in her floor-length nylon chiffon gown accented by a shawl collar and full-length petal sleeves. Her headpiece of white roses with lilies of the valley held a tapering scalloped veil and she carried red roses with trailing ivy.

Miss Mary Wiebe of Aldergrove, B.C., the maid-of-honor, wore a waltz-length dress of blue peau de soie and carried a bouquet of yellow carnations.

The best man was Mr. Bill Hansen of Edmonton. Ushers were Mr. Doug McColl and the groom's twin brother, Mr. Keith McColl.

During the signing of the register, Miss Sharlene McColl, the groom's youngest sister, and Mr.

W. R. Goebel, sang a duet, "O Perfect Love."

The reception was held at Westwood Community Hall. The toast to the bride was given by Mr. Lawrence Toleh of McMurray. Mr. Gordon McColl of Olds, was master of ceremonies.

The beautifully decorated three-tier cake was made by the bride's great aunt, Mrs. Peter Tolen of McMurray, and was decorated by Mrs. Harold Troughton of Edmonton.

Among the many out-of-town great uncles, Mr. Henry Tolen and guests attending were the bride's great uncles Mr. Harry Tolen and Mr. Otto Tolen of Wadena, Sask.; the groom's grandmother, Mrs. H. Rogers of Cereal, and Misses Donna Ramsden, Diane Winch, Beverly Cruithers and Laura Julian, former classmates of the bride at Vancouver General Hospital.

After their honeymoon, the bride and groom will reside in Calgary.

(Bob) Duncan; secretary, H. S. Russell; and treasurer, K. R. L. Hill. Members elected to the executive were Gustav Strandberg, W. H. Hill, K. G. Cockrane, C. L. Olsen and L. L. Pillman.

Guest speaker at the meeting was Michael Maccagno, M.L.A. Mr. Maccagno's talk touched on the possible development of Fort McMurray and the problems to be met. He outlined briefly the three possible routes for a highway to Fort McMurray.

Lac la Biche

Joanne Hamar had the misfortune to break two bones in her right arm Wednesday of last week when she tumbled down the stairs in her home. The mishap was blamed on a pair of loose moccasins she was wearing at the time.

Young people hove over the weekend included Don Stubberfield from Calgary, Richard Hayduk, Joe Cunningham and Simone and Andre Langevin all from Edmonton.

Albert Stratchuk, salesman for OK Motors, flew to Vancouver the first of the week to attend the Ford convention.

Mr. and Mrs. Bobby Wolstenhome and two children, formerly of Whitehorse, have moved to town and Bobby will be assisting in his father's business.

John Humeniuk, manager of the local provincial treasury branch, attended a three-day convention for civil servants in Edmonton last week. During the convention, Mrs. Humeniuk and the children visited relatives at Innisfree.

EDMONTON — The federal government has offered to return part of Wood Buffalo National Park to Alberta but has hinted that it wants some form of compensation.

Norman Willmore, Alberta Lands and Forests minister, received a letter from resources minister Walter Dinsdale Thursday in which the proposal was made.

Wood Buffalo Park covers an area of 22,000 square miles along the Alberta-Northwest Territories border. It has been under federal jurisdiction since 1922 when it was set up as a buffalo preserve.

It is believed the Alberta government is reacting coldly to the suggestion that compensation should be paid in return for some of the 15,000 square miles of the park which lie within the province's boundaries.

Mr. Willmore said that Mr. Dinsdale's letter is being studied and a reply will be drafted this week.

The two ministers met in Ottawa early in November to discuss the

province's arguments in favor of having the Alberta section of the park returned to provincial control.

Alberta wants the land returned so that mineral and timber resources may be developed.

The area would not be maintained as a park because this would prevent resources development, Mr. Willmore said. However, the area would still be kept as a Buffalo preserve.

It is believed the federal government's proposal does not specify what portion of the park it is willing to give up, or what compensation it wants.

Mr. Willmore said the province isn't interested in paying compensation for what it considers is its own land.

FORT MCMURRAY—Flooding of
the Waterways curling rink has
started and the annual campaign for
curlers is on.

Anyone interested in curling are
requested to place their names on

The amalgamation of the McMurray and Waterways curling clubs is the big question and support from both the McMurray members and the Waterways members is needed to decide on where to curl this winter. It is requested that members contact their respective club executives for further information on the coming season.

The St. Aidan's WA held a rummage sale and coffee bar in the Waterways curling rink on Nov. 21, and it was reported a success.

THE Homemakers

By
B. M. McCUTCHEON,
District Home Economist,
Westlock

Christmas Cake Cues—Christmas cake develops a mellow flavor with aging. The richer the cake is in fruits, the longer will be the time required for its ripening.

Because, I know, most homemakers have a favorite cake recipe, I am not going to print one here. However preparation of its ingredients and method of cooking greatly influence the finished product, therefore a few hints regarding this are in order.

Glazed Fruit—dried out fruit will extract moisture from your cake and cause it to crumble. If your fruit has dried out, place in a sieve and steam over boiling water to soften.

Nuts—almonds rarely become rancid so are the favorite for fruit cakes. Brown nuts for 5 to 10 minutes in a 300-350 degree F. oven. This destroys mold forming bacteria.

Peel—should be cut or chopped very fine so that it flavors the cake delicately but with no hard, bitter lumps.

Raisins—wash raisins well, dry between towels. Place on a cookie sheet; allow to puff up in 250 degree F. oven.

Smooth Top—save out about 1 cup of the cake batter before adding fruit and nuts. When cake is in the pan, spread this smooth batter over top. This makes for easier icing.

Line the baking pans with three layers of buttered brown paper or try a layer of aluminum foil which does not require greasing.

Is the Cake Ready—When baking time is almost up, insert a steel knitting needle into several different places in the cake. When the needle comes out clean and the cake springs back when touched with the finger, it should be done.

Storing Fruit Cake—Wrap cold cakes in at least two thicknesses of waxed paper or use one thickness of aluminum foil. Store in a tin box or crock. Cakes may be wrapped in a cloth moistened with apple juice, cider, brandy or wine before the moisture proof wrapping material and placed in a tight container. Moisten the cloth several times during the aging period.

To freeze fruit cakes, wrap in polythene or foil. Thaw unwrapped at room temperature. Storage time in the freezer should not exceed one year.

Though wheat production in Ontario is down this year, much larger crops of feed grains have been produced than in 1961.

Victoria Bizon And Allan Johnson Seal Wedding Vows With 2 Rings

SPRUCE VALLEY—On October 27, at 12 o'clock noon, the Prosperity Roman Catholic Church was the scene of a lovely double ring wedding ceremony when Miss Victoria Teresa Bizon, second daughter of Mr. and Mrs. Joe Bizon of Spruce Valley became the bride of Mr. Allan Edward Johnson, the only son of Mr. and Mrs. Phil Johnson of Plamondon, with father Croteau officiating.

The church was beautifully decorated with fresh cut garden flowers. Wedding music was played by Mrs. Gineoud and songs were sung by the Plamondon Choir.

Given in marriage by her father, the bride was radiant in a long white gown created of layers of lace over a net crinolin, featuring a scalloped square neckline, bodice trimmed with sequins and beads. The full lace tiered skirt was trimmed with 3 white satin roses topped in size just below the waistline down the front of the skirt.

The four layer waist-length illusion net veil was held in place by a pearl and aurora borealis coronet styled in a dainty crown. Each layer of net was edged with wide scalloped lace matching the gown. She carried a bouquet of red tea roses and green fern.

The bride was attended by three bridesmaids, first Miss Rita Wojtowich of Cold Lake, cousin of the bride; Louis Gingras of Lac la Biche, and Sylvia Plamondon of Plamondon, both friends of the bride; and two junior bridesmaids, Marilyn and Maureen Johnson, twin sisters of the groom.

The three bridesmaids were dressed in knee length deep turquoise peau de soie satin dresses with low cut necklines, short sleeves, full circle skirts with a set in panel down the front consisting of verticle pleats.

Their head pieces were small flowered bandeaus. They wore white gloves and shoes.

The junior bridesmaids were dressed in pink and white dresses. They wore white hats, trimmed with pink.

Bestmen attending the groom were Bernard Bourassa of Plamondon, Roman and Mitch Bizon, twin bro-

thers of the bride, and junior bestmen were Casey Bizon, brother of the bride, and Stanley Kanarek, nephew of the bride.

A reception was held that evening at the Grassland Community Centre for around 300 guests. The brides table was decorated with vases of red tea roses. A tree-tiered square wedding cake centered the table. The cake was trimmed with pink rosettes and a swan top decorated the top of the cake. Spiral candle holders trimmed with pink and white rosettes stood on each side of the cake.

Dr. Wright of Athabasca gave an appropriate speech. He also read a congratulatory telegram from the bride's brother and sister-in-law, Mr. and Mrs. Stanley Bizon and family of Australia.

Fr. Croteau also made a speech and wished the young couple success and happiness in their future life. The groom responded with a few well chosen words of thanks.

The brides mother chose a brown and orange figured dress and the groom's mother wore a black and white checked dress. They both wore pink corsages.

Music was supplied by the Tourgeons Orchestra from Normandeau.

The young couple received a sum of money and many beautiful gifts. They will reside at Lac La Biche where they are both employed.

Egg size is an inherited factor but many pullets may fail to reach their full potential through maturing too early.

Fort Sask. Jail Not Overcrowded

Unconfirmed rumors that the jail at Fort Saskatchewan was overcrowded was denied by reports from provincial officials who stated that the provincial jail there is not likely to be filled to capacity this year.

Provincial Inspector of Jails E. E. Buchanan said the jail has a capacity of over 500 and there are only 430 inmates at present.

Acting warden Albert Henderson set the capacity between 450 and 500 and the present population at about 400. He said the peak population last year was near 500.

As soon as the weather turns too cold, two work crews will return to the jail from Whitecourt and Fox Creek, boosting the population by 35. A 20-man work crew from Edmonton has already returned.

HUTTERITES
ARE BECOMING
SERIOUS PROBLEM

The Hutterite problem in Alberta may become as serious as the Doukhobor problem in British Columbia.

"The situation is becoming explosive," said Norbert Schuldes, of the department of philosophy at the University of Alberta in Edmonton. Mr. Schuldes addressed a seminar recently at the university in Calgary. Subject of the seminar was: "Freedom of the Individual."

Recently in Alberta, Mr. Schuldes said, Hutterite fields have been set afire, and they have been persecuted in other ways.

"These people have been pushed around for 450 years," he said.

Hutterites are disliked for their refusal to allow their children to enter institutions of higher learning, for fear that secular education might turn them from the faith of their fathers.

"This poses a serious problem in morals and ethics," Mr. Schuldes said. "Do we have the right to force them to change their ways?"

Deeply religious, Hutterites are strict fundamentalists and believe in leading a simple agrarian existence. "Here we have two civilizations coming together," Mr. Schuldes

said, without much in common. They can't sit down and talk; they don't speak the same language."

Dr. Elizabeth Hill, former medical officer of health for the Jasper Place Health Unit, issued a statement to the Meadowlark Home and School Association of Jasper Place that is of interest to persons living in other areas.

"One thing you can all do now—make sure that your children, your grandchildren, and the children of your friends and neighbors are up to date with their poliomyelitis immunizations.

"There is very little doubt now that exposure to radiation adversely affects the immunity mechanism. Some information on humans involved in the Hiroshima experience is available on this. Profound immunity is not disturbed and the effect of booster doses to the previously immunized is reasonably good.

"On the other hand, immunity is poorly developed if the inoculations are after a dose of radiation. Thus it is too late to start active immunization after exposure.

"Immunization programs must be carried out well in advance of expected exposure. This means now!"

Former Member Of Parliament, Joseph M. Dechene, Dies At 83

Joseph Miville Dechene, a former Liberal Member of Parliament whose ancestors were among Canada's first French settlers, died in General Hospital in Edmonton Saturday night of last week.

He was 83.

Mr. Dechene was MP for the Northern Alberta constituency of Athabasca from 1940 until the 1958 election, which he did not contest. He was the only Liberal member elected from Alberta in the 1957 election.

From 1921 to 1935, he was a member of the Alberta legislature.

Mr. Dechene's ancestors came to Canada in 1632 and settled in what now is Quebec. Educated in Quebec, Mr. Dechene moved to Alberta with his parents in 1892, accompanied by another Quebec family whose daughter, Maria, he married in 1910.

Mr. and Mrs. Dechene settled near Bonnyville, where Mr. Dechene farmed and worked as a insurance salesman before entering politics.

Later, the family moved to Edmonton.

Mr. Dechene, who was admitted to hospital Nov. 19, died Saturday night of pneumonia. Funeral ser-

J. M. DECHENE

vices and burial were at Bonnyville Dec. 15 beginning at 10 a.m. under the direction of Connely-McKinley Funeral Directors, Bonnyville.

He is survived by his wife Maria, two sons, Andre, an Edmonton lawyer and Joffre of Montreal, and two daughters, Mrs. Lorraine Ryan of Edmonton and Mrs. Pauline Freeman of Ottawa.
